

Licenses are required to submit to the Board proof of completion of ALL CE hours (including the 8 hours of Medicare CE) under [Board rule 73.3](#). This can be done by sending a copy of the course completion certificate to the Board. (Make sure your license number is noted on all correspondence to the Board.) We are tracking each licensee's compliance and will only make licensees eligible for renewal/relicensure if all CE requirements have been met. Consequences of failure to meet CE requirements can be found [here](#).
